PETITION TO REVIVE UNAVOIDABLY ABANDONED
APPLICATION FOR PATENT PURSUANT TO 37 CFR §1.137(a)

Mail Stop PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Applicants, through their attorney, respectfully petition the Commissioner of Patents and Trademarks to revive the above-identified application under the provisions of 37 CFR §1.137(a) on the grounds that the abandonment of the above-identified application was unavoidable, completely unintentional, and without their authorization. Notably, this petition is being filed within one year of the date of abandonment.

In particular, the application became abandoned on December 7, 2007, and according to the Examiner, the abandonment was the result of a failure to properly respond to the notice of Missing Requirements. However, as you can see from the enclosed photocopy of the receipt postcard (ATTACHMENT A), the response was indeed mailed within the two month statutory period. And as you can see from the first page of the response, the response (ATTACHMENT B) included a proper certificate of mailing. Moreover, even if the application had been late the Office was duly authorized to charge any fees regarding timelines and/or small entity charges to our deposit account. Finally, the response submitted was fully responsive to each and every issue raised by the Examiner. Accordingly, there is no basis for a finding of abandonment and the applicant respectfully requests that the Examiner withdraw such finding. In the alternative, the

Applicants respectfully request that the abandonment be held unavoidable, and that Application Serial No. 10/565,573 be revived.

The undersigned hereby authorizes the Director to charge the petition fee in the amount of \$250.00 (Applicants being a small entity) and any payments or underpayments to Deposit Account No. 50-0959 (Ref. No. 089498.0480), should the Office believe any additional fees are presently due.

Respectfully submitted,
